When Keeping It Cold Counts

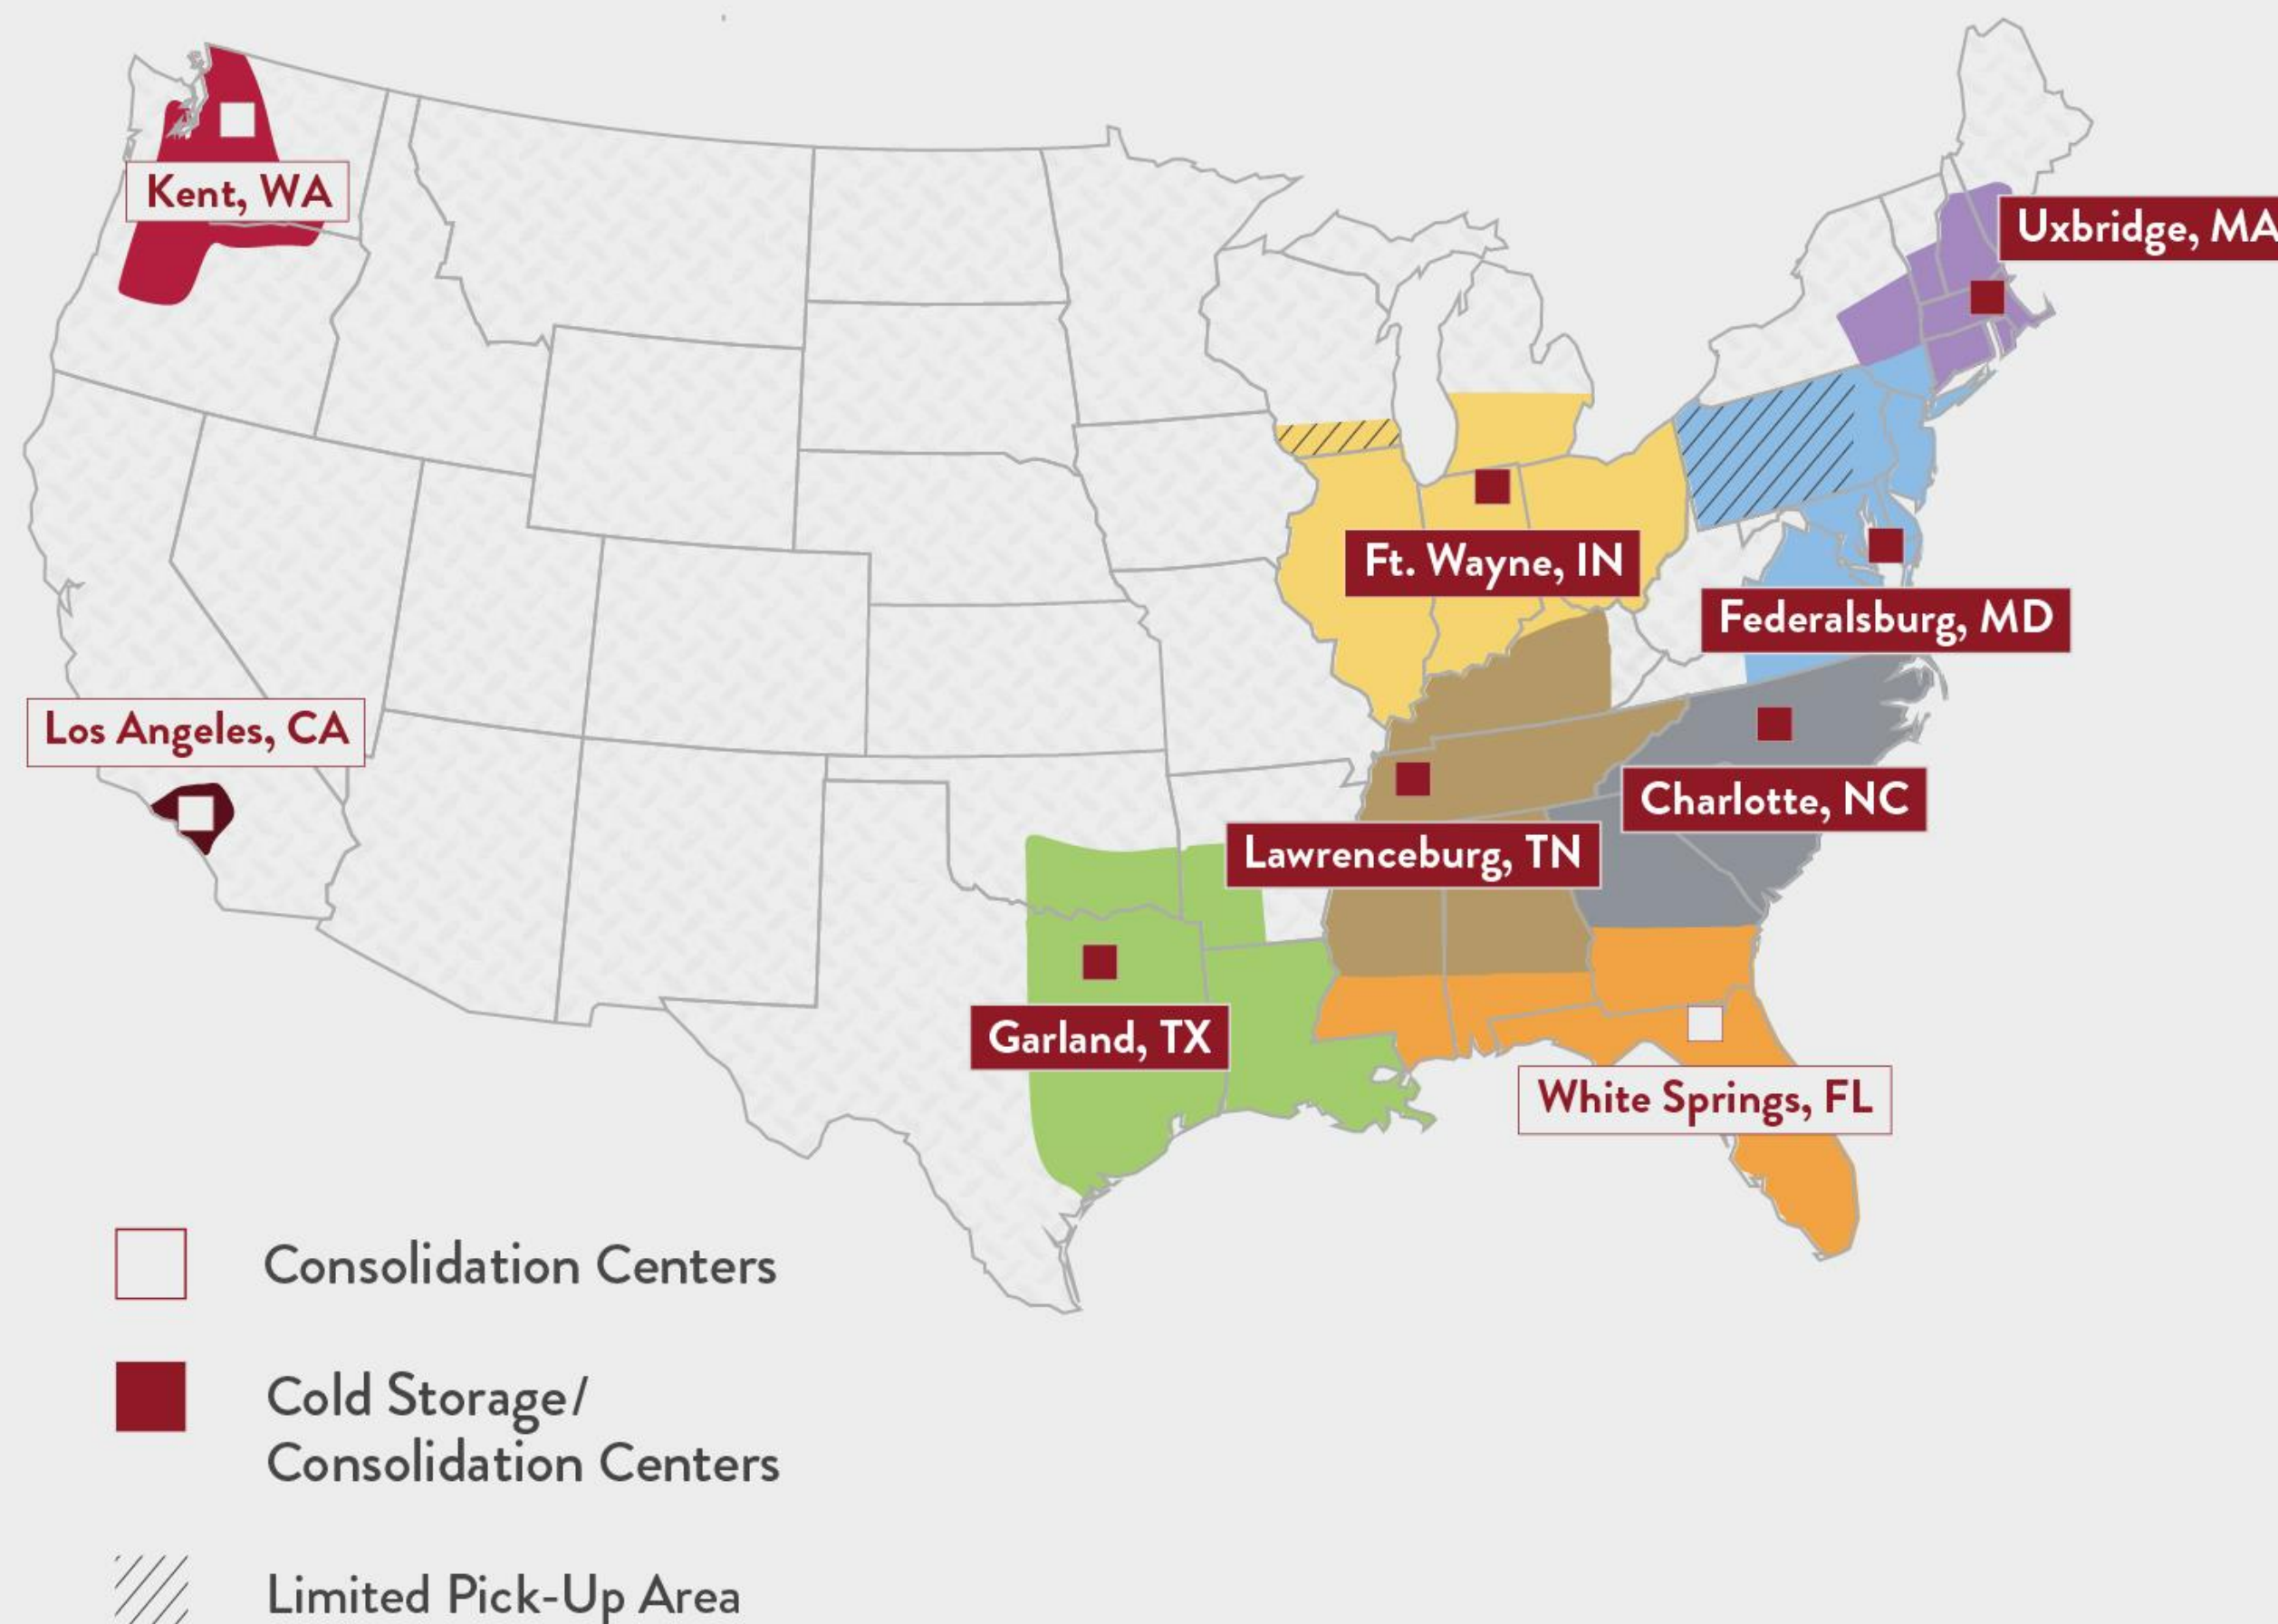

Trust H&M Bay to Deliver

We are excited to welcome you to the H&M Bay family!

For four decades, H&M Bay, Inc. has built a reputation as the country's premier logistics provider and storage company for less than truckload (LTL) frozen and refrigerated goods. Our commitment to hard work and customer service allows us to consolidate, store, and deliver 20 million pounds of goods every week.

LTL Consolidation Centers and Pick-Up Areas

H&M Bay takes great pride in our coast-to-coast footprint with 9 locations across America.

We pickup temperature-controlled LTL commodities in the geography surrounding our centers and deliver to all 48 contiguous states.

H&M Bay Storage Solutions

In addition to H&M Bay's award-winning logistics, we also offer high-tech cold storage options in many of our warehouses.

We use barcode technology and computerized dispatch to automate identification and tracking of pallets stored, allowing our customers to view real-time status reports on their stored stock, orders, and deliveries.

Award-Winning Logistics

There's a reason we've been recognized as a *Food Logistics* Top 3PL & Cold Storage Provider for more than 10 consecutive years. When keeping it cold counts, you can trust our team to deliver. Welcome aboard.
